"The History and Renovation of the Saenger Theater"

Join the PMI Pensacola Branch for a tour of the historic Pensacola Saenger Theater, the Grand Dame of Palafox Street! Since the Spanish Baroque/Rococo-style theater opened in 1925, generations of Pensacola area residents have passed under her marquee to enjoy music, dance, comedy, and drama. Kathy Summerlin, Marketing Director of the Saenger Theater, will discuss the history of the theater and the recent $15 million renovation/expansion project.
