

Pensacola PMI Branch Meeting

‘Personal Development’

Facilitated by Bob Larkin

June 17, 2014

11:30 AM—1:00 PM

O'Charley's

6233 N Davis Hwy, Pensacola, FL 32504

RSVP: <https://pmiemeraldcoastfl.org/meet-reg1.php?id=74>

Bob Larkin, an experienced business executive with a strong record of leading organizations to superior business results, will facilitate a session on the importance of ‘Personal Development.’ This model is about managing your career and doing personal development while owning the results. We will develop the model considering each person's personal desires, the business needs, feedback, career planning, training, improvement planning, and rewards systems and tie it all together.
