The Competitive Project Manager, Staying Sharp in Today's Work Environment

— *Juan Martinez*

Earn 1 PDU

Featured Speaker: Juan Martinez, PMP

Juan C. Martinez is a Project Management Course Director for the Air Force Institute of Technology, School of Systems and Logistics, teleworking from Navarre, Florida. He provides defense-focused graduate and continuing project management education through three resident schools to improve AF and Joint operational capability.

Juan has over 20 years of Program & Project Management experience managing small to very large projects ranging from \$2 million to \$150 million within construction, information technology, aircraft and various other military projects, all in support of the warfighter's needs. Furthermore, he has over five years of Project Management teaching experience that includes a greater than 95% pass rate for students in pursuit of their Project Management Professional (PMP®) certification.
